PROPOSAL

FIRA AT A GLANCE...

Since 2016, the French non-profit association GOFAR organizes FIRA events:

- World FIRA (France), the Global event for agricultural robotics and automation
- FIRA USA (California, since 2022), the North America event for autonomous and robotic farming solutions

FIRA stands for "International Forum for Agricultural Robotics" GOFAR stands for "Global Organization for Agricultural Robotics"

FIRA USA 2025 October, 21st - 23rd Woodland

- Embark on an extraordinary three-day journey delving into the future of agriculture, showcasing cutting-edge autonomous farming and robotic solutions.
- Unparalleled networking opportunities tailored for farmers, robots manufacturers, industry professionals, and scientists.
- All-in-one access to infield demonstrations, business meetings, and research project presentations at a single 2 location.

FIRA USA is a travelling event throughout California, to get closer to farmers and their needs for automation.

SPONSORSHIP OFFERS

WHAT WE OFFER OUR PARTNERS

Positioning within the industry via an international communications plan, our credibility/visibility and our ecosystem

A high-quality event with:

- Unique focus on autonomous solutions
- Quality content with targeted, concrete topics
- Quality partners
 - Qualified visitors

Good representation of the value chain
Good representation of profiles: from R&D to CEO
A strategy based on key targets through content, partnerships and a highly-targeted communications plan

SPONSORSHIP OFFERS

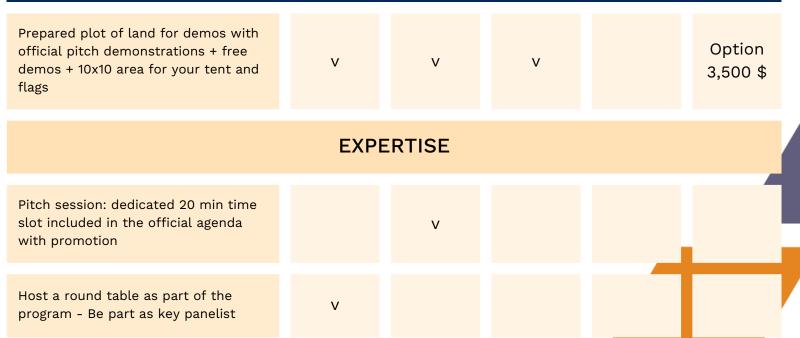

Ensure a seamless experience for your technical demonstration needs and requirements by confirming your participation before the final cutoff date of August 29, 2025. This ensures the inclusion of your communication information, logo, and details in all official printed materials before September 1, 2025.
