EVENT PROPOSAL

FIRA AT A GLANCE...

Since 2016, the French non-profit association GOFAR organizes FIRA events:

- World FIRA (France), the Global event for agricultural robotics and automation
- FIRA USA (California, since 2022), the North America event for autonomous and robotic farming solutions

FIRA stands for "International Forum for Agricultural Robotics"

GOFAR stands for "Global Organization for Agricultural Robotics"

FIRA USA 2025

October, 21st - 23rd
Woodland

- Embark on an extraordinary three-day journey delving into the future of agriculture, showcasing cutting-edge autonomous farming and robotic solutions.
- Unparalleled networking opportunities tailored for farmers, robots manufacturers, industry professionals, and scientists.
- All-in-one access to infield demonstrations, business meetings, and research project presentations at a single location.

FIRA USA is a travelling event throughout California, to get closer to farmers and their needs for automation.
